This book contains the career codes and titles for 6700 career descriptions available from SGIS.

It is to be used along with three different request forms/ cards:

- Exploration of Career Interests (X)
- Career Information (C)
- Programs and Courses (P)

See your counsellor for more information.

In the first part of this book, careers are listed by occupational groups; in the second part, careers are listed alphabetically.

*Note:* When used in the description of a career, the abbreviation n.e.c. means not elsewhere classified.

The Ministry of Education gratefully acknowledges the co-operation of the Department of Manpower and Immigration in providing career descriptions from the *Canadian Classification and Dictionary of Occupations (CCDO)*.

**Major Group 85**  
**Product Fabricating, Assembling and Repairing Occupations**

**Minor Group 853**  
**Fabricating, Assembling, Installing, and Repairing Occupations; Electrical, Electronic, and Related Equipment**

This minor group includes occupations concerned with fabricating, assembling, installing, and repairing such electrical and electronic equipment as motors, generators, batteries, domestic appliances, communications equipment, data-processing equipment, and radio and television receivers; and such electrical and electronic components and parts as coils, transformers, lightbulbs, cathode-ray and electron tubes, capacitors, resistors, and printed circuitry. Occupations concerned with repairing office equipment, such as bookkeeping machines and typewriters, are classified in Minor Group 858 – Mechanics and Repairmen, Not Elsewhere Classified. Occupations Concerned with fabricating and assembling other equipment primarily of a mechanical nature, but which may be electrically or electronically activated, are classified in their appropriate minor groups within Major Group 85 – Product Fabrication, Assembling, and Repairing Occupations.
